Health Facility Projected to Create 300+ Jobs in Hendricks County

Avon, IN – December 10, 2009 – Construction is underway on the Hendricks Regional Health YMCA in Avon. A groundbreaking ceremony was held last Thursday on the north side of U.S. 36 due west of County Road 900 East.

The state of the art 122,000 square foot facility will be completed in the spring of 2011 and is expected to create more than 300 jobs in Hendricks County.

The \$19.8 million facility represents the combined efforts of the Greater Indianapolis YMCA, the town of Avon, Hendricks Regional Health, The Skillman Corporation, and American Structurepoint. Officials project 450,000 annual visitors and 12,000 members.

The Hendricks Regional Health YMCA will provide comprehensive health, wellness, nutritional and stress management services for the community. It will feature an indoor aquatics center, wellness center, dance/aerobics studio, gymnasium, teen center, indoor climbing wall, outdoor athletic fields, walking trails, and a chapel.

Hendricks Regional Health will provide orthopedics, physical therapy, private practice family physicians, cardiac rehab, sports medicine, nutrition and weight management and spa services.
